LIVE THE LITURGY

Inspiration for the week

Does God finally answer our persistent prayers to stop us from bothering Him? The thought that persistent prayer can be disturbing or upsetting to God does not ring true with the images of God as compassionate, understanding, merciful, and loving that our tradition conveys. Yet, Jesus tells his disciples to “pray always without becoming weary.” Maybe the type of prayer necessary to endure the trials of discipleship and the challenges and criticisms of Christian teaching goes beyond words. We need to tend to the realities of human life. The persistent prayer of which Jesus speaks is the prayer of the heart. This contemplative, silent, loving prayer gives us the vision to see God in all things, especially in each human soul. Desiring God alone and not only what we want God to do for us places this love relationship foremost in our minds, hearts, and souls. As we breathe in and exhale out, the Divine Life flows. This alone can provide the strength of endurance to confront anything contrary to the truth of faith.

SAINT OF THE WEEK

Saint Luke, sometimes called The Evangelist, is the author of the third Gospel and the Acts of the Apostles and a physician. There is some debate about how he came to Christianity, though many believe he was a gentile convert. Tradition holds him to be a native of Antioch, Syria, possibly a slave. Most of what we know of Luke comes from Scripture, he was an eloquent and proficient writer, penning with accuracy the events he recounted. He is viewed as one of the best historical sources of the time.

Luke was a close companion of Paul's, joining him at Troas about year 51 and going with him to Macedonia and Philippi. Their paths diverged and met again as they journeyed to spread the Good News. Luke remained with Paul until the latter was martyred in Rome.

Saint Luke's Gospel is viewed as one of social justice, giving special attention to the poor. He also emphasizes gentiles hearing the message of Christ. It is the only Gospel with Mary's Magnificat, and spends the most time illuminating the lives of the other women around Jesus.

Accounts of Luke's death are conflicting, some say he was martyred shortly after Paul others that he lived a long life completing his Gospel in Greece and dying at 84. He is the patron saint of physicians.
